Dear Hugh,

Re: THANK YOU!

Please accept my apologies for the delay in writing on behalf of all the members of the Maze Festival Organising Committee to thank you and the Saffron Walden Society of Change Ringers for your contribution to this year's Maze Festival. It seemed more than fitting that the church bells could be heard ringing a quarter peal in celebration of the town's mazes just as so many of the local community were on the Town Common enjoying the final event of the Festival.

In the early stages of planning the Maze Festival, one of our aims was to involve as many different local groups and societies as possible and to invite them to organise their own events and activities as part of the Festival. We were very pleased that the Saffron Walden Society of Change Ringers were able to take up this challenge and we would be grateful if you would pass on our thanks and congratulations to all those who helped with the planning and/or took part in the ringing.

If you haven't already done so, you might like to look at the many photographs taken by the Saffron Walden Camera Club and displayed on the Maze Festival website. You will find there is a section of photographs dedicated to the ringing of the quarter peal.

Thank you once again for making so valued a contribution to the Saffron Walden Maze Festival 2011. We wish the Saffron Walden Society of Change Ringers continued success in the future.

Yours sincerely,

Helen Larsen
